All conference facilities need to provide reasonable _____ for people with disabilities. Disabled individuals need to be able to take part in every session that is being _____. In case a session is held in an off-site location, we are not responsible for providing accommodation. But for any event held at our facility, we need to make the necessary _____ for disabled participants. Most areas of our facility are handicapped accessible, but in some situations we need to make further accommodations. For example, conference planners are asked to get in touch with us ahead of time if any _____ will require special interpreters for the hearing impaired. To facilitate this, conference planners usually ask attendees to request interpreters at the time that they _____ for the conference.
